1. EXECUTIVE SUMMARY

Dave T Productions LLC ("Service Provider") is pleased to present this Proposal and Service Agreement to Michael Farr and Karis Properties USA (collectively, "Client") for the design, development, and ongoing maintenance of a professional real estate website serving the Denver, Colorado metropolitan market.

This proposal is structured as a modular service menu. Client may select a Core Foundation Package and add optional modules based on business priorities and budget. All work is performed by experienced practitioners — not generalists — with specific expertise in real estate digital marketing, IDX integrations, SEO, and AI-driven lead generation.

THIS AGREEMENT DOES NOT CONSTITUTE LEGAL, FINANCIAL, TAX, OR INVESTMENT ADVICE. CLIENT SHOULD CONSULT QUALIFIED PROFESSIONALS FOR SUCH GUIDANCE.

11. CHANGE ORDERS & SCOPE MANAGEMENT

The parties acknowledge that website development projects may evolve beyond the original scope. The following procedures govern changes to scope:

- 11.1 Change Order Requirement: Any request by Client for work outside the agreed Scope of Work (Section 2) — including additional pages, new features, design revisions beyond two (2) rounds during the initial design phase, or platform changes — shall require a written Change Order signed by both parties before work commences.
- 11.2 Change Order Pricing: Service Provider will provide a written estimate within five (5) Business Days of receiving a scope change request. Estimates will itemize labor hours at the Standard Hourly Rate and any third-party costs. Client must approve in writing before work begins.
- 11.3 Revision Rounds: The Foundation Package includes two (2) rounds of design revisions during the initial design phase. The two-revision limit applies to the initial design and build period only and does not apply to ongoing monthly maintenance services. Each additional revision round during the initial design phase is billed at the Standard Hourly Rate, minimum two (2) hours, invoiced upon completion.
- 11.4 Out-of-Scope Work: Service Provider shall not commence any out-of-scope work without Client's prior written approval (including email approval). Service Provider must notify Client in writing of the nature and estimated cost of any proposed out-of-scope work before beginning such work. Service Provider shall not be entitled to compensation for out-of-scope work performed without Client's prior written approval.
- 11.5 No Obligation to Proceed: Service Provider is not obligated to commence any out-of-scope work until a Change Order is fully executed and any required deposit is received.

12. CLIENT COOPERATION & RESPONSIBILITIES

Client acknowledges that timely delivery of the website depends materially on Client's cooperation and responsiveness. The following obligations apply to Client throughout the term of this Agreement:

- 12.1 Content Delivery: Client shall provide all required content — including text, logos, images, agent biography, and brand assets — within ten (10) Business Days of the project kickoff date. Delays in content

delivery will extend the project timeline on a day-for-day basis, with no penalty to Service Provider.

- 12.2 Feedback and Approvals: Client shall provide written feedback or approvals on submitted design mockups and development milestones within five (5) Business Days. If Client fails to respond within ten (10) Business Days after a follow-up notice, Service Provider may treat the item as approved and proceed.
- 12.3 Third-Party Accounts: Client is responsible for establishing and maintaining any required third-party accounts (IDX provider, domain registrar, email marketing platform, CRM) and for providing Service Provider with necessary access credentials in a timely manner. Service Provider is not responsible for delays caused by Client's failure to complete third-party onboarding.
- 12.4 Designated Contact: Client shall designate one (1) primary point of contact with authority to approve deliverables and execute Change Orders. Changes in the designated contact shall be communicated to Service Provider in writing.
- 12.5 Suspension for Non-Cooperation: If Client fails to provide required materials, approvals, or access for thirty (30) or more consecutive calendar days despite written notice, Service Provider may suspend work without penalty. During any Client-caused suspension, the monthly retainer shall be reduced to fifty percent (50%) of the then-current rate (a "hold" rate). If the suspension continues for sixty (60) or more consecutive calendar days, either party may terminate this Agreement without penalty upon written notice. Full retainer resumes upon resumption of active services.
- 12.6 Accuracy of Information: Client is solely responsible for the accuracy, completeness, and legality of all content provided to Service Provider for inclusion on the website, including property listings, disclosures, and contact information.

13. CONFIDENTIALITY

Each party agrees to keep confidential all Confidential Information of the other party and shall not disclose or use such Confidential Information for any purpose other than performing its obligations under this Agreement. This obligation does not apply to information that: (a) is or becomes publicly known through no fault of the receiving party; (b) was rightfully known by the receiving party prior to disclosure; (c) is independently developed by the receiving party without use of the disclosing party's Confidential Information; or (d) is required to be disclosed by law or court order, provided the disclosing party is given prompt prior written notice and reasonable assistance in seeking a protective order.

Confidentiality obligations under this Section shall survive termination of this Agreement for three (3) years, except that obligations regarding trade secrets shall survive in perpetuity or for so long as the information qualifies as a trade secret under applicable law, whichever is longer.

14. INDEMNIFICATION

14.1 Service Provider Indemnification

Service Provider shall indemnify, defend, and hold harmless Client and its officers, directors, members, employees, and agents from and against any and all third-party claims, damages, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or related to: (a) Service Provider's breach of any representation or warranty in this Agreement; (b) any claim that the Custom Deliverables infringe or misappropriate any third party's intellectual property rights (excluding claims arising from Client Content or

- The indemnified party shall provide reasonable cooperation at the indemnifying party's expense.
- The indemnifying party shall not settle any claim that imposes liability or obligations on the indemnified party without the indemnified party's prior written consent (not to be unreasonably withheld).

14.4 Survival

Indemnification obligations under this Section 14 shall survive termination of this Agreement for two (2) years.

Indemnification obligations are not subject to the limitation of liability in Section 10.

15. DATA PROTECTION & PRIVACY

- 15.1 Security Standards: Service Provider shall implement and maintain commercially reasonable administrative, technical, and physical security measures to protect all personal data collected through the website from unauthorized access, use, alteration, or destruction.

- 15.3 Use Restrictions: Service Provider shall not sell, share, rent, or use Client Data for any purpose other than performing services under this Agreement. Service Provider shall not use Client Data for its own marketing or business development purposes.
- 15.4 Data Breach Notification: In the event Service Provider becomes aware of any unauthorized access to or acquisition of Client Data (a "Data Breach"), Service Provider shall notify Client in writing within forty-eight (48) hours of discovery, describing the nature and scope of the breach, the data affected, and the remedial steps being taken.

Service Provider shall cooperate with Client in responding to data subject access requests and privacy inquiries.
 - 15.7 Subprocessors: Service Provider shall not engage any subprocessor to process Client Data without Client's prior written consent. Service Provider shall ensure that any approved subprocessor is bound by data protection obligations no less protective than those in this Section.

16. INSURANCE

Service Provider shall procure and maintain the following insurance coverages throughout the term of this Agreement:

- Commercial General Liability: Not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) in the aggregate.
- Professional Liability / Errors & Omissions (E&O): Not less than One Million Dollars (\$1,000,000) per claim.
- Cyber Liability: Not less than One Million Dollars (\$1,000,000) per occurrence, covering data breaches, network security failures, and privacy liability.

Service Provider shall provide Client with a Certificate of Insurance evidencing the required coverages upon request. Service Provider shall provide Client with at least thirty (30) days' written notice of any material change, cancellation, or non-renewal of the required policies.

17. SUBCONTRACTORS

Service Provider may engage subcontractors to perform portions of the services under this Agreement, subject to the following conditions:

- Service Provider shall provide Client with prior written notice before engaging any subcontractor, identifying the subcontractor and the scope of work to be performed.
- All subcontractors shall be bound by confidentiality and data protection obligations no less protective than those in this Agreement.

- 18.2 Mandatory Informal Resolution: Before initiating any formal dispute process, the parties agree to attempt good-faith resolution through written notice identifying the dispute in reasonable detail, followed by a fifteen (15) calendar day negotiation period. Formal dispute proceedings may not commence until this

period has expired or either party declares an impasse in writing.

- 18.3 Small Claims Exception: Notwithstanding any other provision of this Section, any dispute involving amounts in controversy of Five Thousand Dollars (\$5,000) or less may be brought in the small claims court of competent jurisdiction in Palm Beach County, Florida, as an alternative to binding arbitration.
- 18.4 Binding Arbitration: If informal resolution fails and the small claims exception does not apply, any dispute, claim, or controversy arising out of or relating to this Agreement — including its formation, interpretation, breach, or termination — shall be resolved by binding arbitration administered by JAMS (or, if JAMS is unavailable, the American Arbitration Association) under its then-current Streamlined Arbitration Rules. The arbitration shall be conducted by a single neutral arbitrator. The seat of arbitration shall be Palm Beach County, Florida. The arbitrator's decision shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.
- 18.5 Exceptions to Arbitration: Notwithstanding the foregoing, either party may seek emergency injunctive or equitable relief in the state or federal courts of Palm Beach County, Florida to prevent irreparable harm, including unauthorized use of intellectual property, pending resolution of the dispute by arbitration. Such filing shall not waive the right to arbitrate the underlying claim.
- 18.6 Arbitration Costs: JAMS administrative fees and the arbitrator's fees shall be split equally between the parties. Each party shall bear its own attorneys' fees and costs in arbitration, except that the arbitrator may award fees to the prevailing party if a claim or defense is found to be frivolous or brought in bad faith.
- 18.7 Class Action Waiver: All claims must be brought in the parties' individual capacities. Neither party may bring or participate in a class, collective, or representative action against the other.
- 18.8 Jurisdiction for Non-Arbitrable Matters: For any matters not subject to arbitration under this Section, the parties consent to exclusive jurisdiction and venue in the state or federal courts of competent jurisdiction located in Palm Beach County, Florida.

19. NON-SOLICITATION

During the term of this Agreement and for a period of twelve (12) months following its termination, neither party shall directly or indirectly solicit, recruit, or hire any employee, contractor, or subcontractor of the other party who was involved in the performance of services under this Agreement, without the other party's prior written consent. This restriction does not apply to general job advertisements or unsolicited applications.

20. GENERAL PROVISIONS

- 20.1 Entire Agreement: This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements, understandings, and representations.
- 20.2 Amendments: This Agreement may be modified only by a written amendment signed by authorized representatives of both parties. A Statement of Work (SOW) may be added for additional modules without amending this base agreement.
- 20.3 Severability: If any provision of this Agreement is found invalid or unenforceable, the remaining provisions shall continue in full force and effect.
- 20.4 Waiver: Failure to enforce any provision of this Agreement shall not constitute a waiver of future enforcement of that provision.

- 20.5 Force Majeure: Neither party shall be liable for delays or non-performance caused by circumstances beyond its reasonable control, including acts of God, natural disasters, pandemics, government actions, cyberattacks, or internet infrastructure failures. The affected party shall: (a) notify the other party in writing within five (5) Business Days of the event; (b) use reasonable efforts to mitigate the impact; and (c) resume performance promptly when the event ends. If a force majeure event continues for sixty (60) or more consecutive calendar days, either party may terminate this Agreement without penalty upon written notice.

- 20.7 Notices: All notices required under this Agreement shall be in writing and delivered by email with confirmation of receipt or by certified U.S. mail to the addresses set forth in Section 21 or as updated in writing by either party.
