

WEBSITE DEVELOPMENT PROPOSAL

Karis Properties USA

Professional Real Estate Web Presence for the Denver Market

Prepared for: Mike Farr

April 2026

Bogen.ai

A Division of Dave T Productions

Executive Summary

Your Challenge

As a real estate professional in Denver's competitive market, you need a powerful digital presence that works as hard as you do. Your current online presence may not be fully leveraging the tools and automation available to modern real estate professionals.

Our Solution

A comprehensive, professional website built specifically for real estate professionals, featuring:

- **IDX Integration** with REColorado MLS for automatic property listings
- **Custom Domain** (KarisDenver.com) with professional email
- **Lead Generation Tools** including contact forms and property inquiries
- **Mobile-Responsive Design** that looks perfect on all devices
- **Optional Add-Ons** like CMA tools, investment calculators, and AI chatbots

QUICK SETUP

2-3 Weeks

From kickoff to launch

INVESTMENT

\$2,950+

Setup + Monthly hosting

ROI POTENTIAL

High

Pay for itself with 1-2 deals

What's Included

Base Package — Professional Real Estate Website

IDX Integration

Automatic property listings from REColorado MLS with search, filters, and property detail pages. Your listings are always up-to-date.

Custom Domain & Hosting

Professional domain (KarisDenver.com) with premium hosting, SSL security, and professional email setup.

Mobile-Responsive Design

Beautiful, modern design that works flawlessly on desktop, tablet, and mobile devices.

Lead Generation Forms

Contact forms, property inquiry forms, and email integration to capture and manage leads.

Professional Branding

Custom color scheme, logo integration, and professional imagery that represents your brand.

Performance Optimized

Fast loading speeds, SEO optimization, and Google Analytics integration for tracking visitors.

Optional Add-Ons

Enhance your website with these powerful tools:

Investment Property Calculator

\$300 setup • One-time fee

Interactive tool for investors to analyze potential returns, cash flow, and ROI.

CMA (Market Analysis) Tool

\$400 setup • One-time fee

Generate professional comparative market analyses for clients instantly.

Blog System

\$300 setup • One-time fee

Share market insights, neighborhood guides, and establish yourself as a local expert.

Social Media Publisher

\$150 setup + \$30/mo

Auto-publish new listings to Facebook, Instagram, and LinkedIn.

AI Chat Assistant

\$250 setup + \$50/mo

24/7 AI chatbot to answer visitor questions and capture leads.

CRM Integration

\$400 setup • One-time fee

Connect to your existing CRM (Follow Up Boss, LionDesk, etc.)
