- Daily AI habit established

"I've been doing this wrong for two decades. Not wrong -- just harder than it needed to be." -- 20-year veteran, Denver

Phase 1 Investment

What This Costs

ChatGPT Plus	\$20/mo
Claude Pro	\$20/mo
Total	\$40/mo + 3.5 hours

The average commission on a \$500,000 home at 2.5% is \$12,500 -- 312 months of the Phase 1 stack. One additional deal per year makes the investment irrelevant.

What Comes After Day 7
